CDA CORPORATE AWARD NOMINATION

The purpose of the Honours and Awards Committee is to ensure the Canadian Dam Association honours the contribution of CDA individual members and organizations in the dam industry by recognizing their support and achievements.

The **CDA Corporate Award** recognizes corporate or sustaining member organizations whose contributions to the dam industry merit recognition. Up to two awards are offered annually. The award may be based on various criteria, including but not limited to:

- Innovation and leadership;
- Advancing the state of practice;
- International cooperation; and
- Other contributions that benefit the dam industry at large.

Due to uncertain public health situation that is expected to extend through 2021, this year's annual conference will be delivered using a fully virtual platform. Nevertheless, the CDA is still seeking nominations for 2021. Winners will be announced and formally recognized by their peers and the industry during the 2021 annual conference.

If you would like to nominate a corporate or sustaining member organization for the 2021 CDA Corporate Award, please complete the application form that follows. For a listing of corporate and sustaining members, please [click here](#).
